The Judge's Estimated Authority in Juridical Legislation and its Applications in Religious Courts

*Thiab A. Aqel and Mohammad A. Al-Omari**

ABSTRACT

This paper deals with the judge's estimated authority in juridical legislation and its applications in religious courts, which needs to clarify the concept of estimated authority, its evidences of legislation. There were some discussions to certain applications in recent judgment, such as the estimated authority in estimating salaries and expenses, the period of jailing and money punishment, inheritance and orphans' wealth, and the estimation of fees.

Keywords: Power of Assessment, Judge, Judicial Applications, Personal Statute Law, Judicial Legislation, Judicial Supervision.
